

ABOUT UT

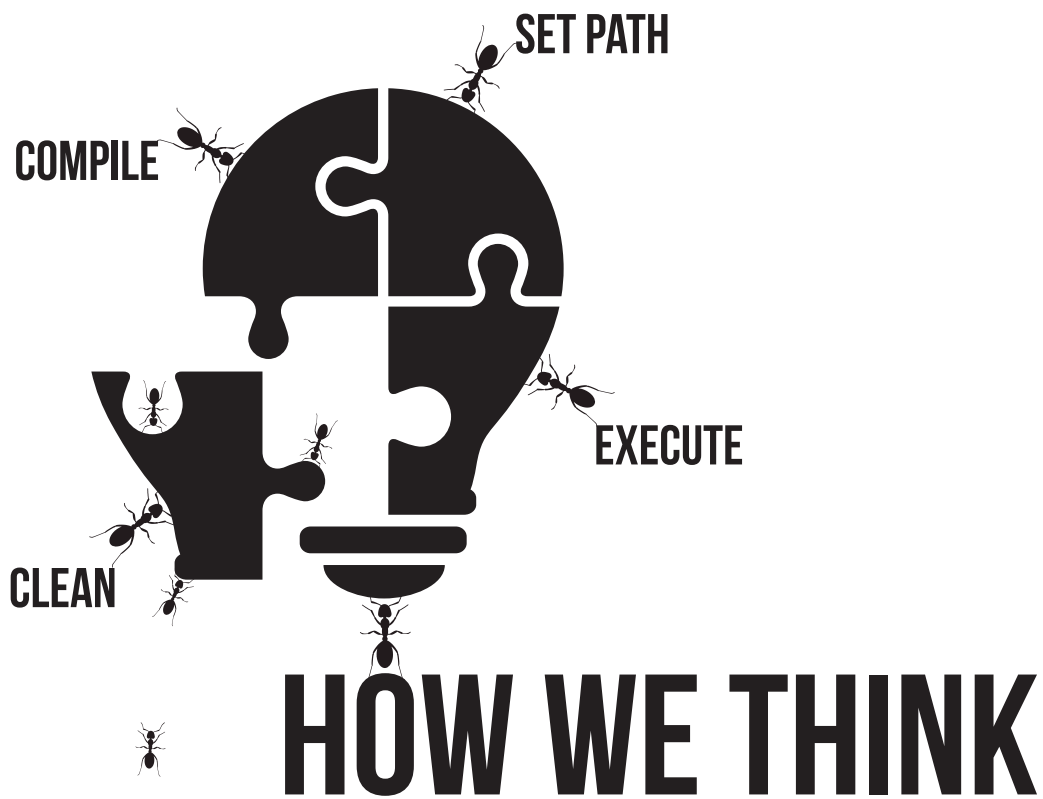

IntoPositive is a creative consultancy think-tank that produces responsible, meaningful and quality visual communication. We work on innovative ideas for clients in numerous international and local organizations who trust in our commitment, philosophy and creativity.

HOW WE WORK

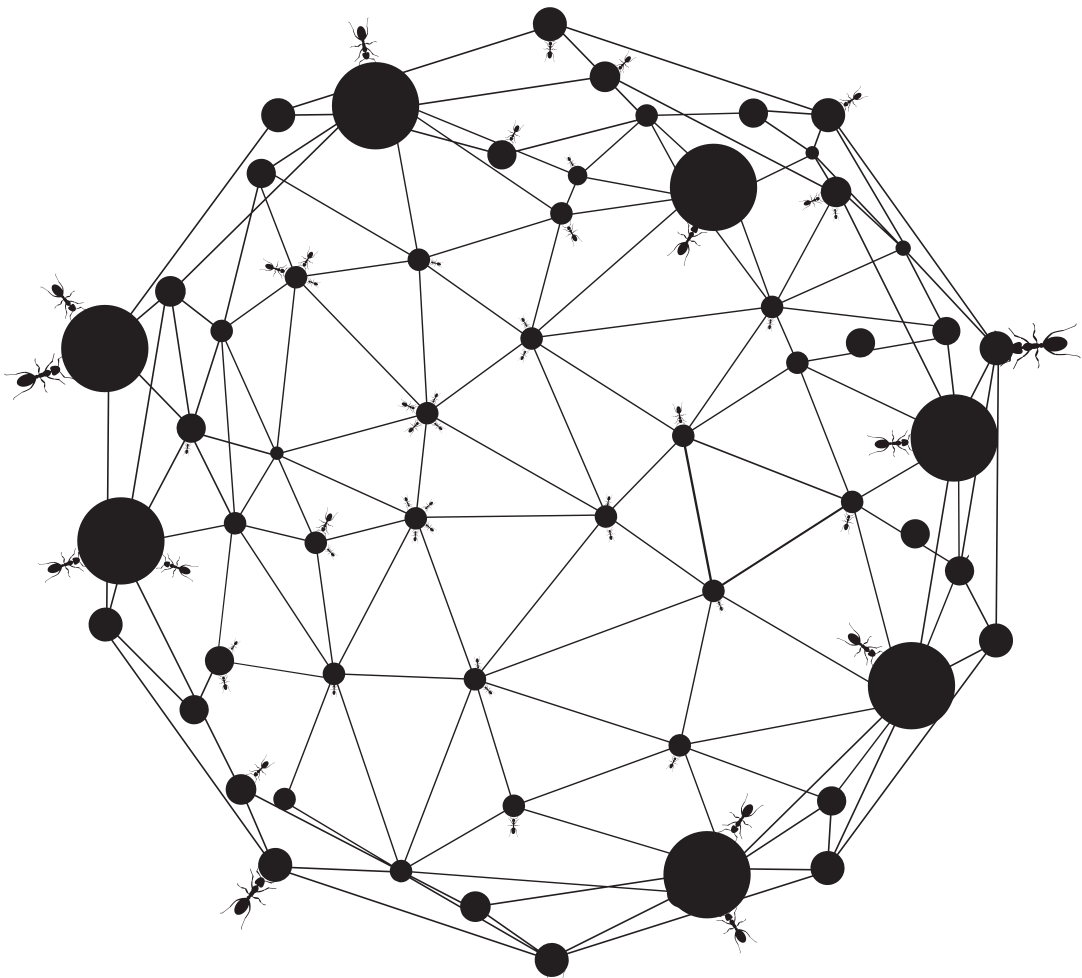

Our team of experienced photographers, designers, and editors works together to find solutions to meet each client's specific needs. We also have a large network of trusted professionals who support our endeavors. By working closely with our clients, we deliver the highest quality turnarounds, on time.

 Our goal is to work towards a positive future with clients, who are actively working to improve society. No matter what the time or how the situation prevails, our company promises to focus on finding ways in order to bring out the rays of hope, from even the direst of situations. We choose to live in the hope of a better world and be a driving force for a positive change.

LAL PADMO
Purity in Wedding

www.lalpadmo.com

Lal padmo is a fine tuned wedding photography and audio visual documentary firm to capture the unique moments of your special day. We do not create or superimpose anything that destroys the real essence of a wedding ceremony. We focus on the story which carries your real memories with the help of photographs and audio visuals. We believe in capturing your special instants, without any interference.

Studi  RAY

A professional studio set-up at an affordable cost! Fix an appointment and just drop by to take professional photos of yourself, your employees or even your products! We have a decade of experience in capturing professional, fashion portraits and in-product photography (no matter how big or small).

Your precious child is growing up so fast. Do not miss the opportunity to let us capture their personality before it is too late. Through Creative Kids, we work with you to take professional photos of your child, as the way they are now, forever capturing this special period of their lives. Because Childhood is the best Gift.
